

# GIN

HANDCRAFTED WITH THE FINEST  
GRAIN THAT CAN ONLY BE FOUND  
IN MICHIGAN AGRICULTURE

Our gin is a remarkable blend of juniper, ginger, lemon peel, lemon thyme, pink peppercorn, angelica, and cardamom.

**46.5%**  
ALC. BY VOL.

**93**  
PROOF

**750**  
MILLILITER

An approachable American-style gin featuring a remarkable combination of seven botanicals individually distilled and blended to create our unique taste profile.

Our distiller's sense of sight, taste, and smell is used to evaluate our small batch process to ensure the quality of our blend.
